

LEADERSHIP. EMPOWERMENT. CONNECTION.
THE EXCITING EVOLVE 2023 BREAKOUT SESSIONS
YOU SHOULDN'T MISS.

With just two weeks to go until the Australian events industry comes together on the Gold Coast for MEA's annual conference Evolve 2023, the breakout streams are set to shine thanks to the support of Stream Sponsors Saxton Speakers Bureau, Ovations International and Claxton Speakers International.

Over Wednesday 7 – Thursday 8 June 2023, a jam-packed 1½ day program of learning and professional development across a blend of plenary and breakout sessions have been designed to position delegates for 'succeeding through leadership, empowerment and connection'.

Day 2 of MEA's conference program presents unbeatable opportunities to upskill across three pillars: Leadership, Empowerment and Connection. With three prominent speaker bureaux partnering with MEA to bring delegates these curated streams, attendees are in for a real treat.

Leadership, empowerment, and connection are each, in isolation, powerful concepts. A workforce skilled in these regards makes for a highly resilient, robust and capable industry. When combined with sustainable growth, they collectively underwrite MEA's mission to support the individuals and businesses of the Australian events community to achieve their goals. Making these notions the education pillars of Australia's leading conference for event professionals, befits a time of sector rebuilding.
